Recuperative Care Supporting SGV

Horizon San Gabriel Valley is a **brand-new** 63-bed Recuperative Care Center.

Our mission is to end the cycle of homelessness by providing quality care in a safe and comfortable environment for those who need further support.

Horizon is proud to offer a range of services. We ensure residents are housed, recover from post-acute care, take medication, and attend all follow-up appointments. At the same time, we help residents obtain long-term housing and set them up for success.
